

Agricultural Mechanic

JL Farm Equipment, your local Case IH dealer, is accepting employment applications for an Agricultural Mechanic. Applicants must have their own tools and be able to work weekends and overtime as needed. The individual we are seeking will have a positive attitude and be willing to learn. An understanding of hydraulic and electrical systems is required. Good communication and computer skills are preferred.

This person will be responsible for working on all types of agriculture equipment both in the field and in the shop.

JL Farm Equipment will offer the qualified individual a competitive starting salary plus several benefits including: medical insurance, 401K, paid vacation and holidays, overtime pay and uniforms.

Interested applicants may apply in person, by mail or email to: agshop@jlfarm.com
